What do campers do at Museum Discovery Camp?

Museum Discovery Camp offers an art and science program for children from ages 4-11 years. Exciting programs, unmatched environment, qualified instructors, individual attention and convenience, are the ingredients that make the Reading Public Museum's Discovery Camp exceptional!

Programs include outdoor sketching, nature study and exploration, hands-on live animal demonstrations, environmental awareness, supervised outdoor games and activities, Museum Gallery talks, guest speakers, Planetarium shows, and rainy day activities. Don't miss the Friday Art Show – parents are invited!
